### Program

The program focuses on a  
series of instructional  
activities that allow  
participants to  
experience a  
multidimensionnal  
approach to second  
language teaching.

The language component  
ensure that participants  
improve their skills in  
accordance with their  
individual needs.

Participants live in French  
in daily situations and are  
supported by learning  
professionnals.
